

Funding for the VA

Watch the speech

Mr. Speaker, after years of neglect, this House is finally going to take up a VA funding bill that honors our commitment to our Nation's veterans. In contrast to the chronic underfunding that the VA has seen in recent years, this bill that we are going to talk about today has the largest increase in VA health care spending in the 77-year history of the program.

And for the first time, this bill exceeds the recommended funding level of the service organizations, the American Legion and the VFW.

Democrats continue to demonstrate our commitment that no group should stand ahead of our Nation's veterans when it comes time to make Federal funding decisions. This bill will help us clear up the 400,000-case backlog at the VA. It is going to help us avoid issues like what happened at Walter Reed, and it will give our veterans the care that they earned and the care that they deserve.
